10. Workday Mobile
11. Workday Assistant

Need more help? Contact us via email at HRMShelpline@suffolkcountyny.gov.
1. Overview of Employee Self-Service

This document serves as a resource to navigate through Workday as a Suffolk County employee. Use this document as a guide for finding how to access and complete common tasks that employees may be required to do within Workday.

Please be advised this document does not explain the steps to complete certain self-service processes, however, it references the job aids and lessons within which you may find the necessary steps to complete the desired task.

If you need additional assistance in performing a certain function, please contact us at HRMShelpline@suffolkcountyny.gov.
2. How to use Workday

Workday is a cloud-based software offering human resources and financial management solutions. Suffolk County is implementing Workday’s human resource module, which supports functions such as human resource management, employee benefits, talent management, recruitment, payroll solutions, time tracking, workforce planning, analytics, and learning.
